# The Program

The show will open with 'Christmas in Storyland' – a magical ballet featuring beloved storybook characters preparing for Santa's arrival on Christmas Eve. This enchanting performance will showcase the talents of our Junior and Senior Students. Our Tiny Tots, Creative Movement, and Beginner's Ballet dancers will delight audiences in the first half of all performances within 'Christmas in Storyland.'

Over the years, the children have thoroughly enjoyed participating in these shows, and we've seen a remarkable boost in their confidence and understanding when learning new steps afterward

After Interval get ready for a dazzling spectacle as the glitz and glamour of Broadway light up Ashgrove with 'Step Into the Spotlight!'

Our Senior students and Adult performers will captivate you with a fantastic mix of Ballet, Contemporary, Hip Hop, and Tap. Expect plenty of sequins and toe-tapping tunes that will leave you ready to join the kick line!

We absolutely love bringing these shows to life and can't wait for everyone to join in the excitement and be part of the Ashgrove Dance Studio show experience.

# Participation & Costume Deposit

Please be aware that by registering to participate in the Show, you are committing to purchasing all costumes required in full.

Payment of a costume deposit is required for each style of dance you/your student attends. Each year at this time we buy/order costumes in bulk for our show, thereby saving much time, energy, and money for our dance families.

Costumes tend to range between \$75-\$120 (most of the kid's styles are around \$90). We always attempt to find the most reasonably priced costumes through a range of suppliers and stores we deal with.

Deposits are credit against the final cost. If costumes exceed the deposit paid an account will be issued prior to the performance to pay the difference. Should the costume be less than the deposit paid a credit will be offset onto your account towards fees or other merchandise.

Please complete the below form and make payment to acknowledge your child's or your participation in the show or to advise you can't participate.

We ask that the form be completed asap so we can order costumes and finalize the dances choreography.
