The Program

We're thrilled to announce our upcoming Junior students ballet this year will be, **Adventures in Wonderland** — a magical reimagining inspired by the beloved *Alice in Wonderland* tale.

Expect to see familiar faces like the mischievous Cheshire Cats, the ever-eccentric Mad Hatter, and the commanding Queen of Hearts. This enchanting ballet will feature a mix of classical, tap, jazz styles, showcasing the talents of our dancers in scenes full of colour, wonder, and unexpected turns. A ballet for dreamers of all ages — where curiosity leads the way and anything is possible.

Our Tiny Tots, Creative Movement, and Beginner's Ballet dancers will be involved in each performance of **Adventures in Wonderland** and Miss Wendy will explain more details soon.

Over the years, the children have thoroughly enjoyed participating in these shows, and we've seen a remarkable boost in their confidence and understanding when learning new steps afterward.

The Program

After interval we roll out the red carpet as our Senior Students take you on a dazzling journey through Hollywood glamour and blockbuster brilliance!

Introducing **Lights, Music, Dance!** — a high-energy tribute to the magic of the movies, where the worlds of Ballet, Tap, Jazz, Contemporary, and Hip Hop collide with iconic film soundtracks from across the decades.

From dramatic scores to pop anthems, and golden age classics to modern hits — this performance is bursting with cinematic sparkle, sequins, glitz, and glamour.

We absolutely love bringing these shows to life and can't wait for everyone to join in the excitement and be part of the Ashgrove Dance Studio show experience.

Rehearsals

The regular class timetable will remain until Saturday 1st November for Junior students.

Group rehearsals for the full performance runs commence from the 8th of November. Other rehearsals for senior students may be held at week-ends prior to 9th November if necessary.

Some other key dates to save in your calendar – possible times only - all times to be confirmed. All students should attend these times.

Junior student perform in the 1st half of each of the performances in **Adventures in Wonderland**. Tiny Tots and Creative Movement students will not be required for the full run through time listed and a shorter attendance time will be shared closer to the practices. They are required for the performance times listed as the Adventures in Wonderland.

Senior students (above 13) may be required in both halves.

Participation & Costume Deposit

Please be aware that by registering to participate in the Show, you are committing to purchasing all costumes required in full.

Payment of a costume deposit is required for each style of dance you/your student attends. Each year at this time we buy/order costumes in bulk for our show, thereby saving much time, energy, and money for our dance families.

Costumes tend to range between \$90-\$130 (most of the kid's styles are around \$100). We always attempt to find the most reasonably priced costumes through a range of suppliers and stores we deal with.

Deposits are credited against the final cost. If costumes exceed the deposit paid an account will be issued prior to the performance to pay the difference. Should the costume be less than the deposit paid a credit will be offset onto your account towards fees or other merchandise.

Please complete the below form and make payment to acknowledge your child's or your participation in the show or to advise you can't participate.

We ask that the form be completed asap so we can order costumes and finalize the dance choreography.
