The Program

The Wizard

We're over the rainbow with excitement to announce that this year's Junior Ballet Production will be our magical reimagining of *The Wizard of Oz!*

Join Dorothy as she follows the sparkling Yellow Brick Road on an unforgettable adventure filled with wonder, friendship, courage, and heart. Along the way, audiences will encounter the whimsical Scarecrow, the lovable Tin Man, the courageous Cowardly Lion, and the dazzling beauty of the Emerald City brought to life through enchanting dance, vibrant costumes, and magical storytelling.

Each student will play a special part in bringing this beloved story to the stage in each of the performances so we hope everyone will participate. Miss Wendy will share more exciting details very soon — we can't wait to journey to Oz together!

Over the years, the children have thoroughly enjoyed participating in these shows, and we've seen a remarkable boost in their confidence and understanding when learning new steps afterward.

The Program

After interval, the curtain rises on an electrifying second half as our Senior students take the stage in ***Broadway Rhythm*** — a spectacular celebration inspired by the glitter, glamour, and excitement of Broadway.

Our Senior Ballet, Tap, Jazz, and Contemporary dancers will bring show-stopping energy of the theatre district to life through iconic music, dazzling choreography, and unforgettable stage moments.

Feel the excitement build as the cast comes together for a thrilling kick line spectacular, capturing the sparkle, style, and heartbeat of Broadway at its very best.

Feel the beat. Catch the rhythm. Experience the excitement of ***Broadway Rhythm***.

We absolutely love bringing these shows to life and can't wait for everyone to join in the excitement and be part of the Ashgrove Dance Studio show experience.

Senior Students ballet

Miss Judy will also choreograph a ballet for our Senior Students as part of the first half of the show, but details are still being finalized.

Rehearsals

The regular class timetable will remain until Saturday 31st October for Junior students.

Group rehearsals for the full performance runs commence from the 7th of November. Other rehearsals for senior students may be held at weekends prior to 7th November if necessary.

Some other key dates to save in your calendar – possible times only – all times to be confirmed. All students should attend these times.

Junior students perform in the 1st half of each of the performances in **The Wizard of Oz**. Tiny Tots and Creative Movement students will not be required for the full run through time listed and a shorter attendance time will be shared closer to the practices for the performance times listed, as they are required for **The Wizard of Oz**.

Senior students (above 13) may be required in both halves.

Participation & Costume Deposit

Please be aware that by registering to participate in the Show, you are committing to purchasing all costumes required in full.

Payment of a costume deposit is required for each style of dance you/your student attends. Each year at this time we buy/order costumes in bulk for our show, thereby saving much time, energy, and money for our dance families.

Costumes tend to range between \$90-\$130 (most of the kids' styles are around \$115). We always attempt to find the most reasonably priced costumes through a range of suppliers and stores we deal with.

Deposits are credited against the final cost. If costumes exceed the deposit paid, an account will be issued prior to the performance to pay the difference. Should the costume be less than the deposit paid, a credit will be offset onto your account towards fees or other merchandise.

Please complete the below form and make payment to acknowledge your child's or your participation in the show or to advise you can't participate.

We ask that the form be completed asap so we can order costumes and finalize the dance choreography.
